MRS. HARTJE'S OWN SISTER
IMPLICATED IN THE SCANDAL

Divorce Suit Getting More Sensational
Enticement at Each Hearing.

(By Associated Press.)

PITTSBURG, PA., July 13.—Experts in handwriting called as witnesses in the divorce case of Augustus Hartje against his wife Mary Scott Hartje took up the entire time of the day in the hearing of the case in court.

Mrs. Hartje's counsel won a number of disputed points throughout the day. M. D. Ewell, the Chicago expert for Mrs. Hartje was put on the stand and subjected to a rigid cross-examination by Attorney Ferguson. During these examinations Mr. Ewell said: "I would undertake myself to stimulate the handwriting of the 30,000 words in these letters."

All of the reports bore out Mrs. Hartje's statement on the stand yesterday that the "Dear Susie" letter formerly admitted by her, was not in the same hand writing as the other "standards" which the respondent still admits.

Cashier Watson Irwin of the Citizens National Bank, one of the bank men called said that the "Susie" letter which is rapidly coming into the foreground as a dominant issue was not written by Mrs. Hartje. He declared that exhibits No. 25, the mutilated letter pasted on a cardboard had been tampered with.

The part that Miss Ida Scott, the sister of Mrs. Hartje played in addressing envelopes is apparently the next milestone in interest. She is said to have addressed the envelope in the Susie letter and it may be that she will be called upon to submit specimens of her handwriting.
